

Race Officer Information update.

CYA has announced a change in the titles of their national race officers.
This is just a name change not a demotion.

Many of the major MNA'S, including our neighbors to the south, use the titles Regional Race Officer (RRO) and National Race Officer (NRO) for their national race officers.

Many of our national race officers run events in the south, as well as on other continents.
With the title change CYA is now in concert with most of the worlds leading MNA'S.

Persons who were designated NRO are now RRO
Those who were SNRO are now NRO.
Again not a demotion, only a name change.

The full slate of race management certification levels in CYA are as follows:

Assistant Race Officer. (ARO)	Certification by the Province
Club Race Officer (CRO)	Certification by the Province

Regional Race Officer (RRO)	Certification by CYA
National Race Officer (NRO)	Certification by CYA

Race Management Course Conductor (RMCC) Certification by CYA
Race Management Master Course Conductor (RMMCC) Certification by CYA

International Race Officer (IRO) This level of certification is by the International Sailing Federation (ISAF)
