Ontario Games Technical Package

Technical packages are a critical part of the Ontario Games. They assist the organizing committees by detailing tournament formats and scoring procedures, help with all aspects of Games planning including transportation budget, meals, accommodations, etc. by identifying the number of participants permitted (including gender etc.).

Every participating Games PSO coach and/or manager has an obligation to read and understand every aspect of the Technical Package. Failure to do so could cost an athlete his or her eligibility for the Games or could affect final standings or the delivery of the competition. If someone does not understand an aspect of the Technical Package, he or she is to seek clarification from the Provincial Sport Organization or the Sport Alliance of Ontario.

If an individual wishes to initiate change to a Sport Technical Package, the request should be directed to the Provincial Sport Organization. Sport Technical Packages are reviewed and negotiated with the Sport Alliance of Ontario and the hosting Games Organizing Committee approximately 12 - 14 months from the games. Change will not be accepted after the Technical Package has been approved for the games without consent of all three parties.

CLASSIFICATION OF TEAMS

D.1 Procedure

Teams shall be classified according to their win-loss records, namely two (2) points for each game won, one (1) point for each game lost (including lost by default) and zero (0) points for a game lost by forfeit.

D.1.1 If there are two teams in the classification with equal points, the result(s) of the game(s) between the two teams involved will be used to determine the placings.

D.1.2 If the points and the goal average in the games between the two teams are still the same, the classification will be determined by the goal average of all the games played in the group by each team.

D.1.3 If more than two teams are equal in the placing, a second classification will be established, taking into account only the results of the games between the teams that are tied.

D.1.4 If there are still teams tied after the second classification, then goal Average will be used to determine the placing, taking into account only the results of the games between the teams still tied.

D.1.5 If there are still teams tied, the placing will be determined using the goal average from the results of all their games played in the group.

D.1.6 If, at any stage, using the above criteria, a multiple team tie is reduced to a tie involving only two teams, the procedure in D.1.1 and D.1.2 above will be applied.

D.1.7 If, at any stage, it is reduced to a tie still involving more than two teams, the

Wheelchair Basketball
Ontario Games Technical Package

procedure, beginning with D.1.3 above, is repeated.
 D.1.8 Goal average will always be calculated by division.

D.2 Exception:

If only three teams take part in a competition and the situation cannot be resolved following the steps outlined above (the goal average by division is identical), then the points scored will determine the placing.

Example:

Results between A, B, C: A vs. B 82 - 75
 A vs. C 64 - 71
 B vs. C 91 - 84

Team	Games played	Wins	Losses	Points	Goal difference	Goal average
A	2	1	1	3	146 : 146	1.000
B	2	1	1	3	166 : 166	1.000
C	2	1	1	3	155 : 155	1.000

Therefore: 1st B - 166 points scored
 2nd C - 155 points scored
 3rd A - 146 points scored

If the teams are still tied after all the above steps have been followed, a draw will be used for the final placing. The method for the draw will be determined by the commissioner or by the competent local authority.

D.3 Further examples of the classification rule:

D.3.1 Two teams - equal points and only one game played between them.

Team	Games played	Wins	Losses	Points
A	5	4	1	9
B	5	4	1	9
C	5	3	2	8
D	5	2	3	7
E	5	2	3	7
F	5	0	5	5

The winner of the game between A and B will be classified first and the winner of D and E will be classified fourth.

D.3.2 Two teams - equal points and two games played between them.

Team	Games played	Wins	Losses	Points
A	10	7	3	17
B	10	7	3	17
C	10	6	4	16
D	10	5	5	15

**Wheelchair Basketball
Ontario Games Technical Package**

E	10	3	7	13
F	10	2	8	12

Results between A, B:

D.3.2.1 A won both games:

Therefore 1st A
2nd B

D.3.2.2 Each team won one game:

A vs. B 90 - 82

B vs. A 69 - 62

Goal difference: A 152 - 151
B 151 - 152

Goal average: A 1.0066
B 0.9934

Therefore 1st A
2nd B

D.3.2.3 Each team won one game:

A vs. B 90 - 82

B vs. A 70 - 62

The two teams have the same goal difference (152 - 152) and the same goal average by division (1.000).

The placing will be determined using the goal average from the results of all their games played in the group.

D.3.3 More than two teams - equal points:

Team	Games played	Wins	Losses	Points
A	5	4	1	9
B	5	4	1	9
C	5	4	1	9
D	5	2	3	7
E	5	1	4	6
F	5	0	5	5

Results between A, B, C:

A vs. B 82 - 75

A vs. C 77 - 80

B vs. C 88 - 77

Team	Games played	Wins	Losses	Points	Goal difference	Goal average
A	2	1	1	3	159 - 155	1.0258
B	2	1	1	3	163 - 159	1.0251
C	2	1	1	3	157 - 165	0.9515

Wheelchair Basketball
Ontario Games Technical Package

Therefore 1st A
 2nd B
 3rd C

If the goal average is the same for the three teams, the final placing will be determined from the results of all their games played in the group.

D.3.4 More than two teams - equal points:

Team	Games played	Wins	Losses	Points
A	5	3	2	8
B	5	3	2	8
C	5	3	2	8
D	5	3	2	8
E	5	2	3	7
F	5	1	4	6

The second classification will be established, taking into account only the results of the games between the teams that are tied.

There are two possibilities:

I. II.

Team	Wins	Losses	Wins	Losses
A	3	0	2	1
B	1	2	2	1
C	1	2	1	2
D	1	2	1	2

In case I: 1st A B, C, D will be determined as in example D.3.3 above.

In case II: The classification of A and B and C and D will be determined as in example D.3.2 above.

A team which, without valid reason, fails to show up for a scheduled game or withdraws from the playing court before the end of the game, shall lose the game by forfeit and receive zero (0) points in the classification. In addition, the Tournament Technical Committee may decide to relegate the team **to be the last** in the placing. This happens automatically if violations are committed repeatedly by the same team. Nevertheless, the results of the games played by this team shall remain valid for the purpose of the general classification of the competition.

6.0 QUALIFYING PROCESS Results from the 2010-11 and 2011-12 CWBL play will be used to determine which four teams will compete at the Ontario Games; Current league play involves all regions of the Province.

6.1 Qualification Date Results as of January 31, 2012.
