ONTARIO GAMES SPORT TECHNICAL PACKAGE

Technical packages are a critical part of the Ontario Games. They guide the selection of athletes by prescribing the age and eligibility requirements, assist the organizing committees by detailing tournament formats and scoring procedures, help with all aspects of Games planning including transportation budget, meals, accommodations, etc. by describing the number of participants permitted.

Every participating PSO Games coach and/or manager has an obligation to read and understand every aspect of the Technical Package. Failure to do so could cost an athlete his or her eligibility for the Games or could affect final standings or the conduct of the competition. If someone does not understand an aspect of a Technical Package, he or she is to seek clarification from the Provincial Sport Organization or the Sport Alliance of Ontario.

If an individual wishes to initiate change to a Sport Technical Package, the request should be directed to the Provincial Sport Association. Sport Technical Packages are reviewed and negotiated with the Sport Alliance of Ontario and the hosting Games Organizing Committee approximately 12 - 14 months from the games. Change will not be accepted after the Technical Package has been approved for the games without consent of all three parties.

7 or 8 teams depending on team size are selected to compete in the Ontario Games by virtue of their placement (i.e. 1st to 8th) in the Provincial Women's Softball Associations Bantam Girls' Tier I provincial championship. Note: If in 2010 we are able to change the date of the Bantam Canadians to a later date in August, Qualifying tournaments instead of the

provincial championship would be used to select the top 7 or 8 teams to attend the Ontario Games and the Games would then be used as a Provincial Championship for the Tier I Bantam Division. One team is selected to compete in the Ontario games to represent the rural female Bantam Girls teams *under 16 by winning a qualifying tournament held for all Bantam aged rural softball teams. This qualifying tournament is open to all rural bantam girls' teams from A to C division.
