MESSAGE FROM THE ALBERTA SPORT, RECREATION, PARKS AND WILDLIFE FOUNDATION BOARD OF DIRECTORS

Welcome to Team Alberta!

The following media guide will provide you with insight into the 337 athletes, artists, coaches, managers and mission staff who will be representing Team Alberta at the 2011 Canada Winter Games.

From February 11 – 27, 2011, Team Alberta will challenge the rest of the country as they strive to do their very best. The hard work, training, preparation and dedication by Team Alberta athletes, coaches, managers, artists and mission staff will be showcased as Alberta strives for personal best and podium finishes.

To the athletes, coaches, managers, artists and mission staff, the Alberta Sport, Recreation, Parks and Wildlife Foundation would like to congratulate you on earning your place on Team Alberta. The Canada Games is an opportunity only a select few will ever get to experience. We know that for many of you this will be your stepping stone to future personal and athletic achievements on the national and international stage. Many parents will travel to support you in Halifax, while others will follow your performance through the media. The media will be closely following the results and stories of the games through the 80 hours of already committed national broadcast time, plus local television, newspaper and radio support. The media will play a critical role in allowing all enthusiastic Albertans to share in your achievements as a member of Team Alberta at the 2011 Canada Winter Games.

To the members of the media we would like to thank you for your continued support and coverage of our exceptional amateur athletes and coverage of this exciting competition and being an active partner in the development of sport in the great province of Alberta!

MESSAGE FROM THE CHEF DE MISSION

It is with great pride and pleasure that I present the members of Team Alberta for the 2011 Canada Winter Games in Halifax, Nova Scotia.

Each member that is featured within the Media guide has dedicated countless hours towards his or her development as an athlete, artist, coach or manager. This commitment has earned them the right to compete in Canada's largest amateur multi-sport festival. The Canada Games have proved to be a stepping stone for many of our country's finest athletes and I am sure that within the ranks of Team Alberta we will see performances that will lead to a strong sporting future for many of the participants.

On behalf of the Team, I would like to thank the media for the significant part that you play within the overall success of Team Alberta. Without your hours of writing and reporting of the events in Halifax, many of the family members and friends that remain in Alberta would not be able to follow our athlete's progress. Your words and pictures will help form the many memories that all participants will take from their Nova Scotia experience.

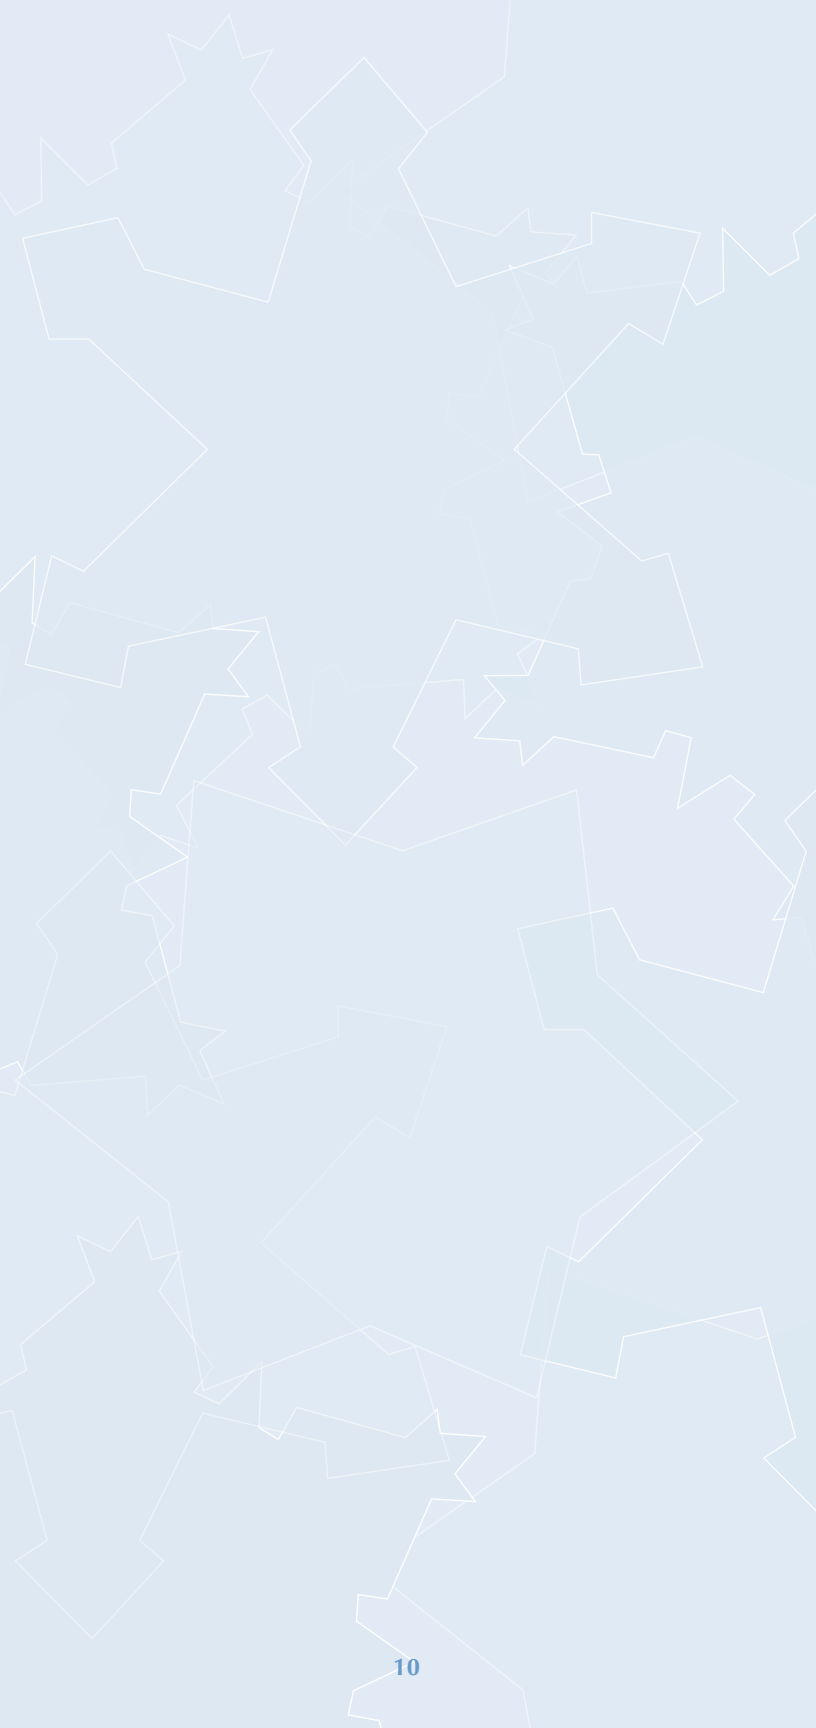

On behalf of the mission staff, I offer Team Alberta best wishes for success and that everyone has a memorable Games experience!

Thanks for your support and enjoy the games!

TEAM ALBERTA INFORMATION

Every province and territory at the Canada Winter Games has official team colors. Alberta's colors are blue, white and grey. The blue portrays the vast prairie skies while the grey symbolizes winter. The lightening bolt in the logo reminds us of Alberta's thunderstorms, but mostly it represents the power and electricity that Team Alberta athletes will possess in Halifax! The bolt is located on the southwest corner of the logo to indicate the location of the rugged Rocky Mountains in the province. Also, the lightning creates the shape of an evergreen tree symbolizing Alberta's many forests, in the middle of the "A".

CALUM GRAHAM

Age: 19

Hometown: High River

Bio: From the small town of High River Alberta, Guitar Virtuoso Calum Graham has been blasting his way through the music scene in the short 5 years he's been playing. This 19-year-old displays phenomenal fretwork with a dynamic and upbeat style, and is at the forefront of a new generation in music. Calum's most recent accomplishment was at the Canadian Guitar Festival in Ontario, where he won First Place with his original compositions. This is the first time a teenager has ever won this prestigious competition. In 2009, a First Place finish at the Calgary Stampede Talent Search qualified him to compete in Nationals at the C.Y.T.C (Past winner – Michael Buble') where Calum also finished First Place. 2010 has included a performance at the Winter Olympics in Vancouver, an audition for Disney Music and Hollywood records, and various performances at some of Canada's renowned Folk Festivals. Calum's first & latest recording is entitled "Sunny Side Up".

HOLLY CINNAMON

Age: 22

Hometown: Fort Saskatchewan

Her work as a director includes Qualia, a collective creation performance in the New Works Festival (Edmonton), and Bolero, a short play performed at the U of A. Holly has also performed as an actor on stages across Edmonton. Select credits include Perfect Pie (Walterdale Theatre), The Piper, Stone Cold Dead Serious (U of A), 1984 and Into the Woods (Citadel Theatre). As a singer, Holly has four years of vocal training and has studied and performed in musical theatre over the last six years.

TARYN KNETEMAN

Age: 21
Hometown: Edmonton

Bio: Taryn Kneteman is in her fourth year of the Bachelor of Fine Arts Program at the University of Alberta. Taryn has experience in a diverse range of two and three-dimensional artistic media, and primarily explores visual ideas through painting and printmaking. Her work is about exploring the relationship of representations and experiences of the body to spaces both intimate and immense. An active volunteer in the Edmonton arts community, Taryn is the Student Representative to the Board of the Society of Northern Alberta Print-artists. Taryn has had the opportunity to exhibit paintings and prints in Nextfest, an Edmonton multidisciplinary arts festival dedicated to the cultivation of young artists. After working as a Curatorial Assistant with The Works International Visual Arts Society, Taryn participated in Pursuit, a group show curated by The Works and inspired by the 2010 Olympic Winter Games. After completing her degree at the University of Alberta, Taryn hopes to pursue a Master of Fine Arts in painting or printmaking.
