

## Argonaut Rowing Club – Boat Rack Storage Contract

**This is a contract between the Argonaut Rowing Club (the Club)**

**and**

.....  
(the member)

The Argonaut Rowing Club agrees to rent to the above member a boat rack for the period of one year, renewable yearly on the payment of the boat rack storage fee of and a full year membership fee. Fees for storage and membership must be paid by April 1<sup>st</sup> of each year.

NOTE: Storage of private shells and related equipment at the Argonaut Club requires the boat owner also to be a **current member of the Club in good standing**.

The Club strongly recommends that the member insures the boat whilst on the premises.

NOTE: The Argonaut Rowing Club is not responsible in any way and cannot be held liable for damage to or loss of private shells, accessories or other rowing related equipment through damage or accident or intentional misuse.

The member understands that **failure to pay** the rack storage fee AND membership fee will result in the member being asked to **remove the boat** from the Club within a four (4) week period, that is, by May 1st.

Please note that, after the four week period has expired and if the membership and storage fees have not been paid, the Club has the right to move the boat from the Club and store it outside for a further four weeks if necessary (to June 1<sup>st</sup>).

In the event of failure to pay all required fees, the ARC will exercise its rights under the *Repair and Storage Liens Act*.

The Club is a competitive, active Club and as such, if demand for storage is high, non- rowing members may be asked to remove their boat from the Club.

I acknowledge and agree to these terms of storage:
